Family Village Farm

A living community for destitute children, women & elderly since 1969

“And the King shall answer and say unto them, Verily I say unto you, inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me.” Matthew 25:40

In view of reducing number of COVID - 19 cases in the state, the government of Tamil Nadu withdrew most restrictions and allowed schools to reopen for grades 1 to 12. Earlier in the month of January, vaccination against COVID - 19 for the children was launched. Children aged between 15 and 18 were vaccinated against COVID- 19.

At the MBKG Pannai Home, the Children, House Mothers and Elders continue to be healthy and safe from the virus. However, with the ongoing pandemic with evolving new variants, the residents of the Home are being safety conscious and continue to wear masks, keep social distance and follow other COVID norms. All adults and children over 15 were vaccinated.

Christmas Celebration – December 2021

After missing Christmas celebration in 2020 due to COVID -19 Pandemic, the Children, House Mothers and Grandmothers were greatly delighted to celebrate the birth of Christ on the evening of 25th December 2021. Mrs. Kalaimani Thiyagarajan, a retired Headmistress and wife of Rev. Dr. Thiyagarajan, CSI, Vellore Diocese was the chief guest who delivered the Christmas message. The children glorified the Lord through dances, carols, and skits.

The programme ended with prayer and benediction by Rev. Dr. Thiyagarajan. A grand Christmas feast followed the programme sponsored by Dr. Chakko Jacob's family, Bangalore, Mr. Retbin Rajeev's family, Bangalore, Dr. George Philip's family, Vellore, and Dr. Jasper Daniel's family, Thiruvananthapuram. Christmas was the perfect time for the residents to celebrate the love of God. It was indeed a joyous and meaningful occasion for them.

On January 20, 2022, the Alumni and the present children along with the staff, House Mothers and Grandmothers celebrated the life of Dr. Miss. Pauline E. King, whom they fondly called 'Mummy'. It was her 22nd death anniversary. A small thanksgiving meeting was held to thank the Lord for the great life of the legend. The alumni and the present residents paid tribute to her by placing garland and lighting candles on her resting place. The alumni reminisced on the blessings of knowing her in person and talked about her sacrifices for their betterment.

Higher Education Fund

When the children reach the age of 18, normally they cease to receive sponsorship but we continue to support their higher education which includes professional, vocational or technical courses. We are in a difficult situation here as these courses are expensive. For this reason, we have created a Scholarship Endowment Fund for Higher Education to help us meet these expenses.

We thank the donors and sponsors who have helped us meet the higher educational expenses and we earnestly seek your support in building up this fund. You may contact the Sponsorship coordinator....
